MCL Department of Oregon Mid-Winter - Chaplain Report

Department of Oregon Chaplain Report A/O 29 Oct 2021

- Death Notices: Since our last Convention in May, I have received and processed 6 death notices. Hopefully, all detachments are submitting the notices as deaths occur. They can be sent to;
Benjamin Quen, Department of Oregon Chaplain
bquen@mcl373.org
10110 Scotch Pine Rd. Klamath Falls, OR 97603
- It's still been necessary to follow-up with National HQ to point out that some of the death notices have not been processed.
- There are still some Names showing up on the Semper Fi 'Taps' page that I did not process. PLEASE don't send them directly to National, they must come through me as the Department Chaplain.
- In addition, please check to see if the deceased is a Devil Dog. If yes, send a Notice of Death to me as the Pack Dog Trainer.
