Mid Winter Report

There has been no activities during this period on the Department level. However we did receive the Roster for Reserves, Retired and those who just mustered out which is a great tool to contact those in your area and let them know there is a Marine Corps League and tell them what we are about. The USS Oregon Detachment Divided the list and sent emails or called. They also held the first annual recurring picnic and attended the Oregon State Fair spreading the word.

Respectfully Submitted,
Semper Fi Andre Wood Jr. Vice
