Department of Oregon Chaplain Report A/O 10 June 2023

- Death Notices: Since our last Convention in May, I have received and processed 11 death notices. Hopefully, all detachments are submitting the notices as deaths occur. They can be sent to;

- As I briefed in the Commandants report, please use the process defined in the National Administrative procedures.
- In addition, please check to see if the deceased is a Devil Dog. If yes, the Pound must send a Notice of Death to me as the Pack Dog Trainer.
